

## *Listening in Nature* Treasure Hunt

Take a walk around campus alone or with a friend and use this checklist. Just explore and check off what you find. No collecting. No need to find everything; just note what you do find. Take photos to share anything that catches your attention.

Count how many squirrels you see? \_\_\_\_\_ Chipmunks \_\_\_\_\_

List the different smells you experience. \_\_\_\_\_

How many different birds did you see? \_\_\_\_\_ A robin redbreast? \_\_\_\_\_

Find a purple flower \_\_\_\_\_ a white flower \_\_\_\_\_

Find a pine cone \_\_\_\_\_ an acorn \_\_\_\_\_

a tree with smooth bark \_\_\_\_\_ a tree with grooved bark \_\_\_\_\_

a white stone or pebble \_\_\_\_\_ a feather \_\_\_\_\_

an insect \_\_\_\_\_ how many species of insects did you spy? \_\_\_\_\_

a birds nests \_\_\_\_\_ find moss \_\_\_\_\_

an animal hole/home in the ground or in a tree \_\_\_\_\_

an object in nature that is shiny or glossy \_\_\_\_\_

find a red/orange leaf \_\_\_\_\_

find pieces of trash (now throw them away) \_\_\_\_\_

Count how many evergreen trees you find \_\_\_\_\_

Decide which way is North (No phone apps! Unless you want to check yourself.)

What is the most interesting/surprising thing you found while "listening in nature"?

\_\_\_\_\_

Send this sheet to Michelle Sayles at [msayles@clarku.edu](mailto:msayles@clarku.edu) for a chance to be entered to win a great prize that will help you bring more air and sunshine to your life!

You can share photos of what you find with us on social media using the hashtags #ClarkLIN and #ClarkNEC

Name: \_\_\_\_\_ Email: \_\_\_\_\_
